

Prevantics® 2% CHG Solution

Instructions For Use

Please follow the local policy for personal protective equipment, hand hygiene & waste disposal guidelines.

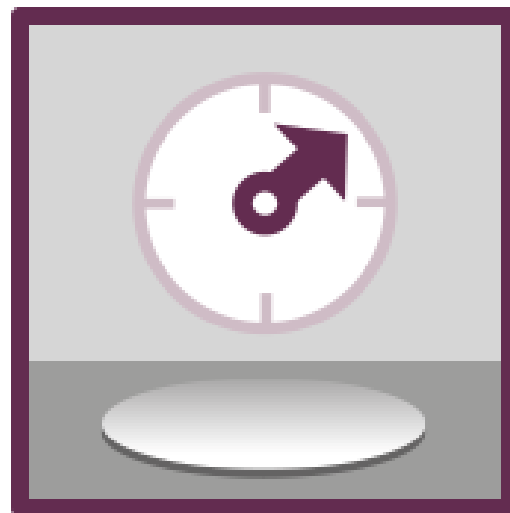

Step 1: Remove the cap. This product comes with an easy-to-use applicator nozzle for accurate application. Also available with screw top.

Step 2: Pour the liquid over the area to be disinfected.

Step 3: Alternatively pour into a bowl and apply using a swab.

Step 4: Allow the area disinfected to air dry.
