

# Prevantics® 2% RED Instructions For Use

Please follow local policy for personal protective equipment, hand hygiene & waste disposal guidelines.

**Step 1:** Unscrew the lid to open the bottle.

**Step 2:** Apply the product directly to the skin or by a swab. Allow to air dry.

## Optional RED dye available

+ Press the top of the cap to release the optional colouring agent into the bottle. Do NOT remove the cap.

+ Shake the bottle vigorously for at least 30 seconds to achieve a homogeneous mixture.

+ Allow the bottle to stand for 15 seconds before opening to allow the liquid to drain from cap into bottle. Apply the product as per the step 2 above.
